- Create A 10 Second **Elevator Pitch** That Can Make Your Business Millions.
- Gain VIP Access To The World's **Most Complete** Done-For You Marketing Library.
- Receive Your Very Own **Customized Roadmap** For Small Business Success.

...And Here Is What Separates Us From All The Other Business Coaches And Consultants...

We will not only teach you the strategies your business needs to grow to the next level and beyond but, unlike our competition, we offer you additional services to ensure you are able to implement these strategies as quickly and effectively as possible to start seeing immediate results.

We do not leave you on your own to get graphics designed, lead capturing landing pages created, digital information documents created and made available, correctly setting up your social media profiles on your own or leaving you to hire expensive services to help you create or edit videos. We offer this to you at cost and designed in line with the strategies we teach.

You will NOT find a more complete or comprehensive business turnaround package ANYWHERE!

Your ONE STOP Business Turnaround Service Is Now Here!

These additional services will ensure we are able to implement the strategies we agree on as soon as possible so that we can start monitoring progress and the impact it has on your business. By keeping all these services inhouse, it not only makes us **UNIQUE** but, allows us to ensure your business growth plan is implemented in the correct manner to have the desired result in your business in the shortest possible timeframe.

Private E-Learning Business Academy

Our online business academy is your own private “online business advisor” – available to you 24/7/365. As we execute your business growth roadmap, you will need access to specific strategies, tactics, training and resources that are proven and tested to build successful and profitable businesses. This resource will teach you how to build a successful business, so you never have to depend on others for continued success.

52-Week Business Fundamental Training Series

Each week you will receive a new video, audio and workbook to teach you marketing and business development fundamentals. This series of training content has been specifically organized to help you build a multimillion Rand business in less than 18 months. This series is so powerful that you could be easily dominating your market within just 12 weeks.

52-Week Personal Skills Development Program

There are two sides to success within every business – the business fundamentals and your personal development fundamentals such as goal setting, leadership skills and cultivating a winning mindset. This series unlocks the secrets to helping you develop this often-overlooked requirement for building a profitable business.

Quick Start Revenue Generator

Every business needs a quick infusion of cash flow! Jump out of the gates quickly and begin producing new revenue immediately by implementing just one of two of our ten Quick Start tactics that take minutes to execute. Each tactic was designed to produce R20,000 to R50,000 in additional revenue for your business within your first 45 days.

The Most Complete Business Turnaround Package Ever Offered!

R2M+ Marketing Library

Never struggle with marketing again. Stop spending hundreds or even thousands of Rand creating, designing and developing marketing for your business. We have it done-for-you! Our proprietary Ad library contains more than R2 million Rand worth of tested and proven done-for-you marketing collateral. This library may be the largest and best produced “swipe file” ever created. Instead of spending months to develop your marketing campaigns, we need mere hours and we’re ready to execute.

Lead Capture Page Design & Hosting

Having a successful, lead generating online presence requires strategies that encompass lead capture pages. Our inhouse team will ensure your lead capture page is designed in line with the strategies we decide to use for your business growth plan. These pages will also be hosted by us on our domain which has been specifically created for our valued clients. Why waste time and money getting these services from 3rd parties when we can do it for you at cost and quicker, so you can start reaping the rewards immediately.

Logo & Graphic Design Services

Your growth plan and marketing campaigns may require graphic design which our inhouse team can handle for you. Stop wasting time with 3rd party design services and use the time more efficiently to work on your business while we take care of your needs at cost.

Digital Product Creation

Creating digital information products such as brochures, pamphlets etc takes time and can be costly. Our inhouse team will take care of this for you at cost to ensure you have your products as quickly as possible so that you can start implementing your business growth plan as soon as possible.

Social Media Profile Set-Up

Your business growth plan will include certain social media platforms that we have identified will have a positive impact on your business. Our inhouse team will ensure your profiles are set-up correctly in line with the strategies we teach. While 3rd party services can set-up your profiles for you, they will not do it based on your business growth plan and we provide you with these services at cost, saving hundreds and sometimes thousands of Rand.

Video Creation & Editing

Video can be a powerful marketing tool when created correctly and in line with your business growth plan. We will work with you on identifying the need for video in your marketing efforts and based on your specific needs, we will choose the best format and create the videos for you at cost.
